PRINCIPAL
Brother Albert Laurin, S.M.

Dear Students:

More than ever before, the importance of a complete education is being stressed by the school, the church, business and society. For some of you, this will be your last year of formal schooling. It would indeed be a pity if you yourself did not now realize the importance of a good and complete education. I wish you the best of good wishes as you leave Provencher, and I sincerely hope that you will put the education you have received to good use in your religious, business and social life.

To be a success in your spiritual life is, of course, of supreme importance. Success in other fields of endeavour, I feel sure, will come if the spiritual is always well taken care of. The path of life is not entirely or always of a rosy hue, as you will no doubt soon learn. If your spiritual life is solid, you will be able to surmount any difficulties that may arise.

In union with all the members of the faculty of Provencher Collegiate, I wish you God's choicest blessings and Mary's loving protection through the years that lie ahead.

Brother Albert Laurin, S.M.
Principal

VICE-PRINCIPAL
M. Marcel Lancelot

Chers finissants,

Vous quittez votre Alma Mater pour enfin commencer votre vie . . . personnelle. Car il s'agira désormais pour chacun de vous de vous prouver à vous-mêmes, à vos parents et amis, à vos éducateurs, au monde que vous n'avez pas perdu votre temps pendant ces années d'instruction et d'éducation. Que vous avez assimilé les leçons reçues. Que vous savez conformer votre vie quotidienne aux principes qu'on vous a inculqués. Que vous êtes capables de mettre au service de l'Eglise, de votre pays, de la société les richesses intellectuelles et morales accumulées pendant tant d'années.

Laissez-moi vous donner un simple conseil d'ami à cette heure si grave de votre vie. Que désormais, plus que jamais, vous sachiez respecter l'échelle des valeurs dont on vous a munies! C'est-à-dire que "Dieu premier servi" soit votre premier guide. Vivant en Dieu et de Dieu, soyez des lumières brillantes partout où vous serez ou vivrez. Connaissiez-Le toujours plus intimement, aimez-Le toujours plus intensément, servez-Le toujours plus fidèlement. Et alors, enfants de Dieu, membres actifs de sa famille, je vous promets que vous jouerez le rôle que vous rêvez et qui revient dans l'Eglise et dans la société qui attendent tant de vous.

Chers amis, soyez ces chefs chrétiens et humains dont notre temps a tant besoin. Disciples d'une vie chrétienne toujours plus fervente, d'une culture humaine jamais achevée, vous atteindrez votre idéal. C'est mon souhait, autant que mon désir.

DEDICACE

C'est en reconnaissance de quatre années de dévouement que les élèves de l'Institut Collégial Provencher désirent DEDIER leur annuaire 1964 aux PARENTS qui se sont dévoués sans compter afin de faire du CENTRE RECREATIF DE ST-BONIFACE un véritable succès.

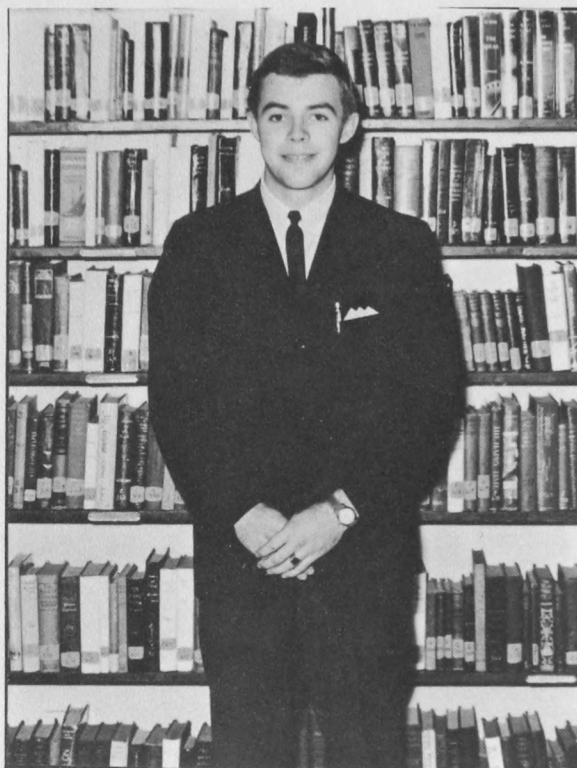

DEDICATION

In recognition of the services rendered through the four years of its existence, the students of Provencher Collegiate proudly and gratefully DEDICATE the 1964 PALADIN to the PARENTS who have served so unselfishly to make LE CENTRE RECREATIF a successful organization in the community of St. Boniface.

STUDENT COUNCIL

Charles Archambault
Secretary-Treasurer

Owen Brophy
President

Larry Wynant
Vice-President

A special "thank you" must be extended to all those students who have striven to keep Provencher "By Far the Best." C'est avec plaisir et fierté que nous avons représenté les étudiants, car nous sentions tout l'intérêt qu'ils portaient à leur école. C'est grâce à cet intérêt et à la coopération qu'ils ont toujours manifestée que le conseil des étudiants a réalisé les buts qu'il s'était proposés. Though the future remains hidden, the methods for making it a success remain the same: a well-balanced education suited to one's capacities and an ideal in life. Our sincere wish is that your stay at school be both pleasant and rewarding.

Owen Brophy

Standing: B. Boucher, R. Fouquette, K. Devion, E. Mousseau, E. Joyal,
E. Francis, P. Gauthier.

Sitting: R. Fourneaux, G. Pierson, R. Brunet, R. Labossière, P. Cyr.

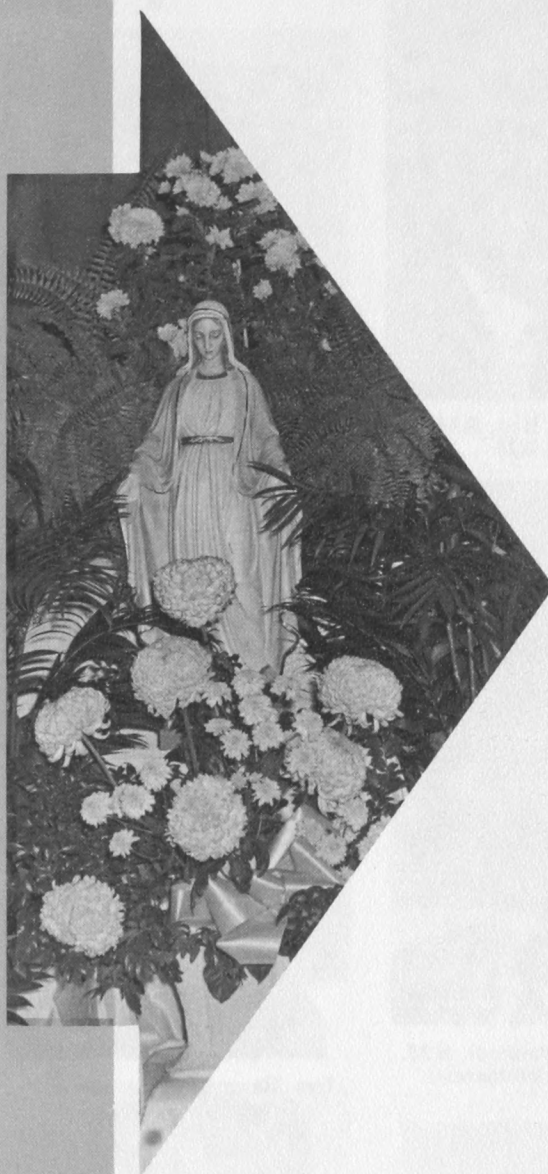

A la demande du Révérend Frère J. Bruns, S.M., un groupe de citoyens de St-Boniface se réunissait le jeudi, 26 février, 1959. Ainsi fut lancée une organisation qui a tellement fait pour les élèves de Provencher et la jeunesse de St-Boniface.

Le Centre reconnaît aussi l'excellente coopération qu'il a toujours reçue de la Commission Scolaire de St-Boniface. D'autre part, la Cantine se félicite de son étroite collaboration avec les deux Instituts Collégiaux.

Ajoutons que le 7 mai, 1963, le Centre Récréatif décida d'offrir une bourse de \$50.00 aux élèves méritants de ces deux Institutions.

In ready response to a letter sent out by Brother Joseph Bruns, S.M., a group of St. Boniface parents assembled on Thursday, February 26, 1959, at 8:00 o'clock. Thus was inaugurated an organization that has done a great deal for Provencher students and the youth of St. Boniface.

The Canteen through the years has received the co-operation of the St. Boniface School Board. On its part, the Canteen has always co-operated with the two Collegiates. On May 7, 1963, it voted to offer a Bursary of \$50 to deserving graduating students.

Le 12 mars 1959, la constitution du Centre Récréatif Notre Dame était approuvée. Les buts et objectifs en étaient les suivants:

1. Aider nos jeunes à acquérir un esprit vraiment chrétien et aussi devenir plus conscient de leur responsabilité envers les oeuvres sociales, athlétiques et culturelles de leur ville.
2. Promouvoir chez notre jeunesse le respect des droits, des opinions et de la propriété d'autrui.
3. Développer, en autant qu'il est possible, le bonheur et un véritable esprit chrétien au moyen des sports et des loisirs.

On March 12, 1959, the following objectives of Le Centre Récréatif Notre-Dame appeared in the Constitutions then approved:

1. To help our youth establish a Christian attitude and become more community conscious toward social, athletic and cultural activities.
2. To develop and promote more respect for the rights, feelings, and property of others.
3. To develop a true Christian outlook on life and happiness through wholesome recreation and community participation.

FINISSANTS

GRADE XII MATRICULATION

Student Council Officers for 1963-1964 were all members of Grade XII: Owen Brophy, president; Larry Wynant, vice-president; Charles Archambault, treasurer.

Provencher's representatives on CJAY's "Reach for the Top" were Fred Lawrenson and Pat Morin. Fred is also one of the student representatives on the Notre Dame Canteen committee.

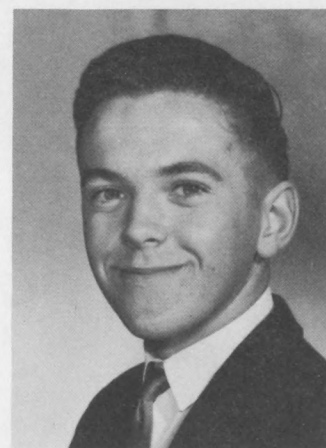

Philippe Gauthier and Jim Welsh are editor and assistant editor of this year's Yearbook and both serve on the school paper staff. Other members of the senior class working with the school paper were Bob Froome, Roger Letourneau, and Fred Lawrenson, editor. Pictures in the school paper

and Yearbook are the results of Jim Welsh's gift of being at the right place at the right time.

Kasimir Kryszczuk organized the Ciné Club and provided Provencher students with many hours of contented movie viewing. Larry Motuz re-organized Provencher's Chess Club. Louis Constant helped with the curling activities. Jim Welsh is in charge of mixed bowling. John Fontaine made note-worthy efforts to promote music appreciation by inaugurating the first Record Club.

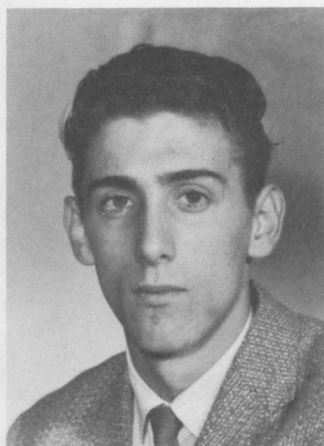

In the annual Food Drive, Senior Matric surpassed all other classes by collecting 11,310 ounces of food for the poor; this was more than half of the food collected by the entire school.

1963-1964 was a happy and successful year for Senior Matriculation.

XII FINISSANTS

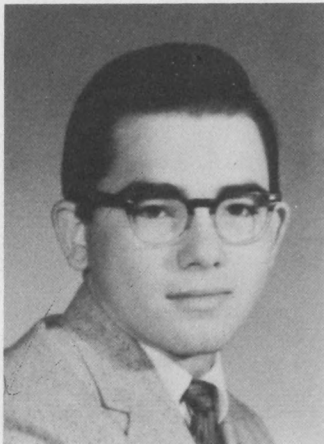

GRADE XII COMMERCIAL MATRICULATION was a small but lively class. Class Officers were E. Mousseau, president (also active in La Relève and C.A.P.); R. Gendron, vice-president (football and hockey); and R. Arnal, secretary-treasurer (hockey). There was excellent participation in sports by M. Monney (football, bowling, hockey, curling); by J. Gysel and M. Mangano (football and hockey); by M. Beaudet (bowling, football); and by R. Brisson.

D. Emond did a great job on the School Paper, worked on the Yearbook Staff, and helped with the organization of the Variety Show. G. Poitras co-operated with the organization of curling and C. Morassutti was an active member of C.A.P. and the militia.

Pour certains d'entre nous c'est notre dernière rencontre car nous partons sur le chemin solitaire de la vie. Mais nous aurons toujours ces mémoires, si chères et si tendres, de nos copains qui ont additonné et soustrait avec nous.

LA RELEVÉ

MANITOBAINE

Jean Léveillé — notre président provincial

Comme il est difficile, dans un milieu comme le nôtre, d'apprécier la valeur de la culture française. Comme il est difficile pour un Canadien-français à St-Boniface de penser en français, de parler le français, d'aimer ce qui est français. Comment pourrait-il en être autrement alors que nous sommes si loin de la source même de cette culture, alors que nous sommes si près d'une autre culture qui ne cesse jamais son travail d'assimilation. Et pourtant, nous voyons cette culture française attirer tant de gens vers elle; depuis l'Asie, jusqu'à l'Afrique, on peut remarquer ce grand renouveau français nous permettant d'être fiers de ce que nous sommes. Plus que jamais, nous voyons nos amis de langue anglaise s'évertuer à apprendre notre langue. Il ne faut donc pas, au moment où nous pouvons profiter de notre avantage d'être bilingue, laisser tomber un trésor que d'autres seront trop heureux de posséder.

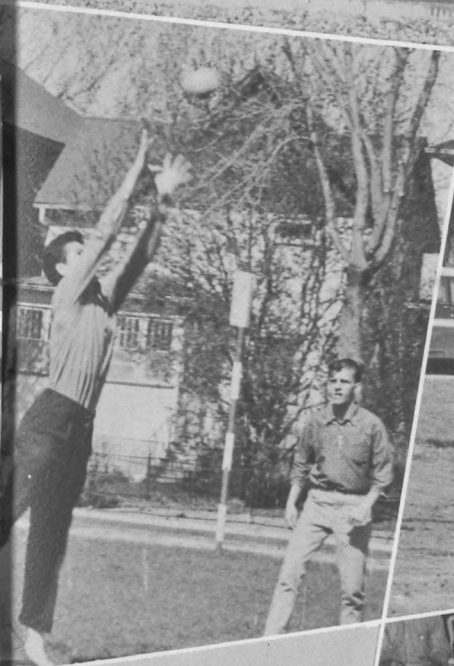

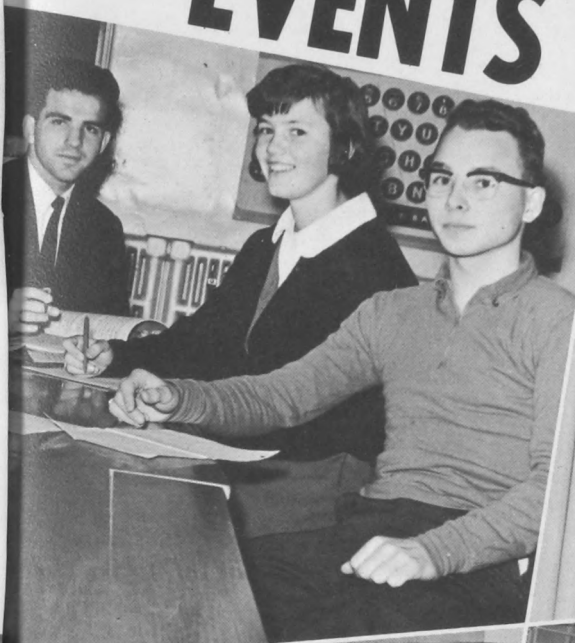

Et c'est pourquoi la Relève a son rôle à jouer. Elle doit nous faire comprendre nos richesses, elle doit préparer pour demain des chefs qui sauront guider la masse Canadienne-française vers des destins toujours plus grands.

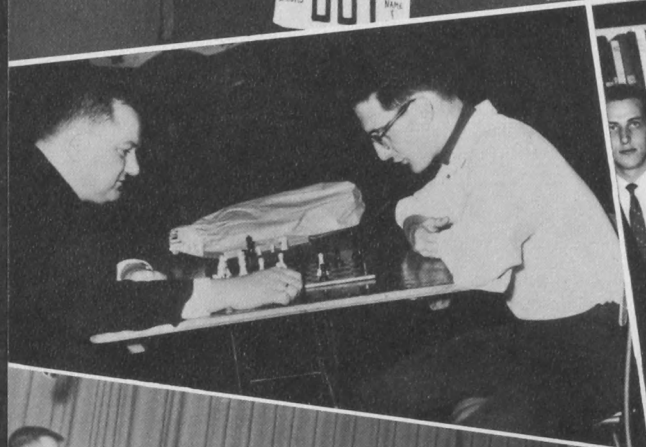

Cette année, par la formation du club CAP, les étudiants ont eu l'occasion de prendre certaines responsabilités, de discuter ensemble, de chanter, de s'amuser, et de goûter un tant soit peu à la culture française. Nous avons eu des soirées mensuelles, des films, des excursions, des conférences. Espérons que tous les membres en ont jouis.

COMITE DE DECORATION

Lorsque l'Institut Collégial Provencher participa à des tournois avec des équipes de Winnipeg et des faubourgs la Cantine leur accorda son entier appui. A la demande des arbitres le Centre a gracieusement consenti à l'achat d'uniformes pour les "cheerleaders" et pour les équipes de ballon-panier ce qui fait que nos joueurs sont les mieux habillés de la division sportive. Tout récemment le Centre nous obtint un tableau ou compteur électronique qui fut installé au mur ouest de notre vaste gymnase.

When Provencher Collegiate entered athletic teams in competition with Winnipeg and suburban teams, the Canteen came out in full support of these activities. In response to a request from the coaches, it graciously agreed to purchase basketball and cheerleader uniforms, that make our teams and cheerleaders among the best dressed in the league. Just recently the Centre also obtained a large electronic score board that hangs on the west wall of the gymnasium.

Les étrangers qui participent ou qui se joignent à nos soirées ne cessent de faire l'éloge de notre Centre Récréatif. Selon eux le Centre a la Cantine la mieux organisée et la mieux tenue de Winnipeg et de St-Boniface. Nous sommes heureux d'ajouter que les élèves de l'Institut Collégial Provencher sont très fiers des nombreux parents qui prêtent généreusement leur concours soit à l'exécutif ou aux nombreux comités qui constituent la Cantine, Aussi sont-ils heureux d'offrir à ces derniers leurs plus sincères remerciements.

Outsiders who attend the almost weekly canteens proclaim with sincerity that the Centre Récréatif has the smoothest-running, best-organized, and best-behaved canteen in the Winnipeg and St. Boniface area. The students of Provencher Collegiate are proud of the many parents who serve on the executive and the numerous committees of the Canteen and offer them a hearty and sincere "thank you."

EATON'S Proves Youth and Tradition can be Combined!

These young people are actually the representatives of an old EATON tradition. That of being up to date with WHAT you want WHEN you want it! Junior Councillors and Junior Executives are our contact with you, keeping EATON'S abreast of everything new and fresh and original in your world. From us, they learn various aspects of merchandising — and they have a ball while they're at it! (Witness above.) EATON'S thanks your school's representatives for their efforts and interest this year, and wishes them, and you, a happy and successful future.

A Sport for young and old

FOUR REASONS WHY

TRAINING:

Shooting demands the utmost in body control — it sharpens the eyesight, develops maximum co-ordination, teaches you exact timing and controlled breathing.

SAFETY:

Proper instructions by our expertly trained range officers will lead to correct handling of firearms either on the range or afield. With this training you will be asked to participate in competitions and all types of hunting.

COMPETITIVE:

Shooting is a sport which instils competitive spirit amongst members as individuals or as a team.

PLEASURE:

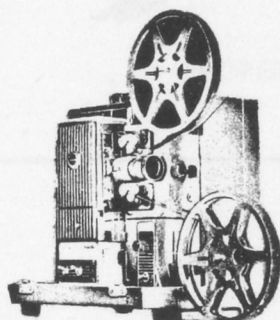

No sport gives greater personal satisfaction than shooting. You can see yourself slowly improve as the bullseyes become more numerous. Also a clean sport draws interesting and active companions.
